## Dear Parents and Caregivers,

We would like to thank you for your support throughout what has been a challenging year for our students in 2021. We would also like to take this opportunity to outline our requirements for 2022 to ensure we are off to the best possible start.

Students of Wyong High School are expected to attend school work-ready. This translates to having the correct uniform (Junior for Years 7 – 9 and Senior for Years 10 – 12). They should come to school with their phones off pouches and away. Please note: Year 7 students will be issued with a Yondr pouch on arrival and this will need to remain in their care until such time as they graduate or leave Wyong High School.

Students will need the equipment outlined below. If you are experiencing any difficulties and would like the school's support around any of these items, we ask that you contact our office on 02 4353 1088 during term time from 8.30 am to 3.30 pm and support can be provided.

We look forward to working with our community in 2022 to attain the best learning outcomes for our students.
