Welcome to your Academic Software Download Centre!

All NSW Department of Education and Communities students are eligible to download and licence Adobe and Microsoft software from this website.

This software is only available to download onto personally owned devices.

Students will need to use their @education.nsw.gov.au student email address to register on their first visit. To register, click on the "Sign In" link at the top of the page and then click on the REGISTER button. A verification email will be sent to your DEC email address. To complete the registration please select the link provided in the email.

Note: Individual students are eligible for one download per application only.

6 Choose "Student" from the pull-down menu (students is the only choice in the list).

Click "Register"

7 Go “shopping”. Add software to cart. Make sure you download and save the software AND the licence keys to a backup location such as a portable hard drive as you may only access your downloads for a limited time, after which you need to pay to access them again. If you need to recover your device you will need to reinstall the software and activate using the saved licence keys.
